Announcement
FOREWORD (P. 1)

We, the Class of 1946, before bidding our final farewell to the "ivy covered school on the hill," are about to present our memoirs. In them we shall portray a cross-section of our high school activities and give a brief insight into the character of each member of our class.

These four years in H.H.H.S. have been crowded with many happy memories for us, memories which are unforgettable. And so, in return, we wish to leave behind something by which we shall be remembered.

Thus, it is with humble pride and perhaps a touch of sadness, that we present this, our Coronian.

DEDICATION

To our friend and teacher, Mrs. Mary E. S. Mohair, who is a woman of poise, sincerity and understanding, we, the graduates of 1946, respectfully dedicate this Coronian.

Mrs. Mohair's countless efforts to make our senior year a success have been appreciated and in the future whenever we think of high school we shall think of her.

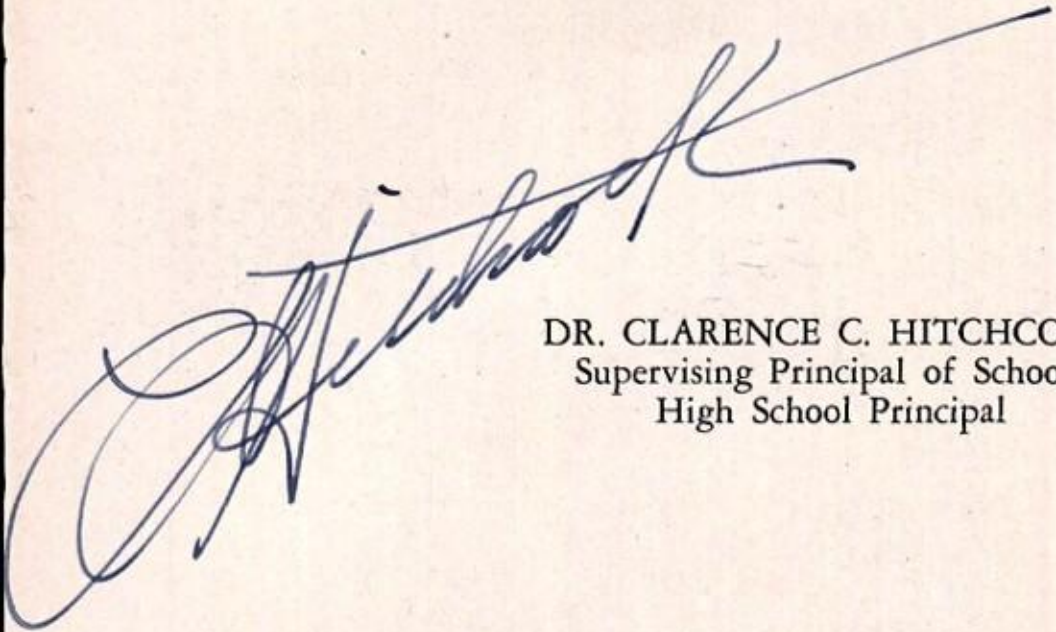

*With very best
wishes to Jean
who did so very
much to make
the yearbook
a success,
Mary E. S. Mohair*

CLASS HISTORY

We've had gay times in Hasbrouck High, we've
learned a good bit, too.
Now as we leave we realize how fast these four
years flew.
From quaking frosh to seniors suave, H.S. has been
like home
To us, and we'll remember it in all the years to
come.

FRESHMAN YEAR

Remember how we stood outside awhile just look-
ing in?
We tried to guess how it would be—how classes
would begin.
And when at last we stepped inside upon those
sacred floors,
Remember how confused we were to see so many
doors?
But when at last homerooms were found and intro-
ductions done
We settled down to being Frosh and were enroute
to fun.
We used wrong stairways now and then, got lost
and made mistakes,
But they were simple errors that the average Fresh-
man makes.
Our first assembly was a thrill, to us it was so new.
We smiled at upperclassmen and, oh joy! they
smiled back, too.

It wasn't long before we knew our schedules by
heart,
And could leave home those program cards we'd
carried from the start.
Then soon our class elections came; Ray was the
pupils' choice
To help were Marcia, Gene, and Marge, we Frosh at
last had voice.
And when glee club enrollment came, and we could
miss a class
If we were members of the group—we Freshmen
joined en masse.
Miss Nagy came to fill the gap Mr. Monprode's
leaving made.
Mr. Sveda, too, joined Uncle Sam.—Mr. Sheridan
came to aid.
The football season came and went, our team was
far from bad.
And Coach Kmetz beamed all the while 'cause he'd
become a dad.
Our glee club concert at the Fox was quite the thing,
they say;
We sang, then saw a movie—and we didn't have to
pay!
Then June exams at last came 'round, and did we
cram? And how!
But we were glad when they were done, why! we
were Soph'mores now!

CLASS HISTORY

SOPHOMORE YEAR

As Soph'mores next we entered school, still quiv-
'ring from the thrill
Of walking up the brand new steps that graced
our steep left hill.
Yet, still another greater change for students lay in
store—
Instead of just one principal, Old Franklin now had
four.
We Soph'mores soon were organized. With ballot-
counting through
Pete was our captain. Charlie, Herb, and Lola were
our crew.
By now we knew our way around, and teachers'
names and all.
We even dared enough to write on posters in the
hall!
Then new cheerleaders were announced, and were
we proud! Cause, gosh,
Dot and Lola'd made it! (Lil got on when we were
Frosh!!)
Our football team decided, too, that Sophs would
give it zest.
So Gene and Red and Charlie played and did their
very best.

The school was entertained that year by a game of
basketball
Between the teachers and the girls. Good laughs
were had by all!
We passed our midyears easily, oh! we were getting
smarter.
(Miss Nagy changed her name 'bout here to Mrs.
Joseph Marta.)
Miss Hamilton had since arrived, as head of our
library.
And did she scold; and did we joke: And was it
gay? Yes, very.
We read "The Ancient Mariner," which really made
us think.
Imagine water everywhere and not a drop to drink!
In spring we hunted high and low, combed attics
tooth and nail,
To find some contributions for our White Elephant
Sale.
Our Soph'more year sped quickly on, we passed in
June—hurray!
We were no longer Soph'mores, but THE Juniors—
happy day!

JUNIOR YEAR

Remember how grown-up we felt cause we were
Juniors now?
We scoffed at Sophs and Frosh and acted "holier
than thou."
We voted soon with the good taste all upperclass-
men show.
And we elected Jean, along with Elmer, Dot and
Joe.
We disagreed on our class rings, though time was
fleeting fast.
It took a while to suit us all; black onyx won at last.
The cheering squad took on more girls, and it just
pleased us so
To see among the new gals there, our Norma, Ruth,
and Flo.
Our girls then viewed a football game in costumes
they looked grim in,
And bore initiation trials just to be Tri-Y women.
Our honor students, too, that year, made us proud
as we could be,
Cause Suz, Ray, Bill, and Barb got in Honor Society.

We studied U. S. History, our country's length and
breadth.
We learned Mark Antony's great speech
And read of Caesar's death.
The Tri-Y girls then ached to learn to dance the
modern ways,
Till Mrs. Marta showed them how—then, oh! they
ached for days!
While Mr. Good taught science here, he also coached
all track,
And all our runners did as well as boys had years
far back.
In spring we held a class bazaar and proved our
worthiness.
We all worked hard and did our bit to make it a
success.
Since now we had grown interested in futures and
vocations,
We flocked to Dr. Wilson to get college applica-
tions.
At graduation we took part. (How fast that year
did pass!)

WE were the Senior Class!

CLASS HISTORY

SENIOR YEAR

September 5th in '45, our first day back in school,
We Seniors, mindful of our place prepared to lead
and rule.

We lost no time, but voted soon to get our leaders
picked.

Bill and Tom and Marge and Pat were chosen and
they clicked.

Our football team was wonderful. We were Co-
Champions,

Gene, Charlie, Herb, Pete, Walt, and Ray,

Were praised for what they'd done.

We welcomed Mr. Monprode back, Mr. Depken and
Sveda, too.

We were glad to see them here again now that the
war was through.

Remember our Miss Stecher, gang,

And sulphur and its phases?

And English a la Mohair, where we learned to quote
those phrases?

Our Christmas pageant at the Fox was "heavenly,"
we're told

The angels all looked real enough to float on harps
of gold.

Each merry play rehearsal had *something* go wrong
with it,

But our comic "Fighting Littles" was acclaimed a
real smash hit.

Our Class Night was composed of skits 'bout teach-
ers, rules, and such.

But though the boys made us all laugh—it had a
sadd'ning touch.

Remember Baccalaureate? So many of us cried.

And graduation practice when to keep in step we
tried?

And guys and gals, remember this?

Remember Senior Day?

When WE took over classrooms and ran everything
our way.

Then last our graduation came—diplomas, gowns,
and tears.

We had to leave our classrooms and the things we'd
loved for years.

We said goodbye to teachers, friends and studies we
had known.

We left behind our carefree lives; now we were on
our own.

Though now we've left our school and friends, the
mem'ries will not die

Of laughs and work and these four years we've
shared in Hasbrouck High.

When in the future we recall high school days with
a thrill,

We'll all the more appreciate "the red school on the
hill."

INTERSTATE BRIDGE COMPLETED

SECAUCUS, N. J.—A huge expansion bridge connecting Secaucus and Brooklyn was today opened to the public, during an elaborate ceremony in which Mayor Archibald of Secaucus congratulated engineers Chandless, Knoll, Braren, Reeves, Frank, and Kreuger on their splendid designing and construction job. The highlight of the ceremony was Miss Betty Barber's walk across the bridge, since she was the first person to cross it after its opening.

SENATORIAL CANDIDATES

TRENTON, N. J.—The Democratic Party today publicly announced plans to nominate William J. Cobb for senator in November on the platform "Women Shouldn't Be Allowed to Vote." This makes the second Jersey candidate for senatorship that has been announced this week, the first one being Peter Shipwreck Kepsel, who is to be the Republican nominee.

SPY RING SMASHED

BROOKLYN, N. Y.—The F.B.I. today disclosed that it has smashed a dangerous ring of espionage agents whose purpose was to discover the secret of our molecular power machines. F.B.I. investigators Dewey Barton and Sterling Glaner worked tirelessly on the case which first began to break after Miss Thelma Murry, a civil service employee, told them she had seen suspicious looking characters lurking around Mascorowitz Delicatessen. It is expected that Barton and Glaner will receive promotions because of the splendid work they've done.

Utopia Exists!

NEW YORK, April 12, 1956.—A Spaceograph message was received today from the newly discovered planet, Utopia, where Professors Alexander Graham Covels and Elmer Einstein Rumminger have landed in their atomic rocket ship invented by Professor Rumminger. The message was a brief one in which they described the new, uninhabited planet, saying (quote), "It's LONELY up here!" (unquote).

Noted Columnist Interviewed

NEW YORK—Miss Vera Lipschultz, whose syndicated column, "My Week," is enjoyed daily by millions of readers, was today interviewed by Marilyn Nanus of our special features staff. Miss Lipschultz, confidant of the celebrities, passed along these "newsy items": Madame Ramona Uberfeld, Metropolitan Opera star, will sing the leading role in the "Barber of Seville" next fall (my, this man-power shortage); William Bendix, comedian, is filing suit against Red Greco, the great dramatic actor, for slander—it seems that at one Hollywood party, Red said he and Bendix look alike . . . concert accordionist, Marguerite Aubert has hired Mary Lou Meccia to be her exclusive gown designer . . . Dale Houghteling and Rags Raglan are co-sponsors of a contest to discover who can tell them apart. The name of the contest is "Which Is Which?"

You'll Dye When You Read This, Ladies; now YOUR hair can be red the Ramazio way in just two short hours with Dye-light. It contains no harmful pumice, grit or abrasive of any kind, just—paint. Yes, just red paint specially compounded by Miss Ramazio herself to give your hair that wind-blown, shot-from-a-cannon look that is so envied by style conscious women everywhere. Once your hair is red the Dye-light way it will never return to its original color. Get the economical large size jar at only \$26.50 today. Dye-light will delight you.

TRANSPORT ESTABLISHES NEW RECORD

NEW YORK—In a transcontinental non-stop flight from Los Angeles to New York's Knickerbocker Airport, a new speed record was established today by a jet-propelled transport piloted by David Jones, one time stunt flier. The flight took exactly 40 minutes. Passengers on the plane, who included Laughing Lou Cordo, the radio comedienne, June Rose, the Conover model, and Smilin' Eddie Spae, the used car dealer with personality plus cash, expressed their relief over the non-crash landing.

The stewardesses, Barbara Butterworth and Elaine Ackerly, veterans of many flights, pounded each other on the back, shouted, "We made it!" and then fainted.

Fischer's Veterinarian-Exterminator Co.

Our motto is "We cure them or kill them. We help your dogs and cats; we eradicate your rats." Both services are guaranteed 23 hours a day (we have to eat some time). So let us help you solve your pet and pest problems; you'll be glad you did.

NEW TEACHERS GIVEN CONTRACTS

HASBROUCK HEIGHTS — It was announced last night at an important meeting of the Hasbrouck Heights Board of "Try and Educate 'Em," that four ex-students of Franklin High School are to be given life-time teaching contracts in the local schools. Miss Suzanne Goldemberg, who has been practice teaching in the high school for the past seven and a half years, will take the French IV class. Miss Lillian Stumpp and Miss Marcia Howard, recent graduates of the Moonachie State Teachers College, will take over the job of trying to teach the second and third grades in the grammar schools. Miss Ruth Schroeder will be the gym teacher for all the local schools.

COLD GERM ISOLATED

JOHNS HOPKINS HOSPITAL, BALTIMORE, MD.—Today, for the first time in medical history, the harmfully active cold germ has been positively identified and isolated by Drs. Eugene Dinallo and Robert Wannemacher. Although both men are M.D.'s, they've long been interested in this explorative field of medicine, and today succeeded in attaining their goal. They believe that they can check the further spread of colds by keeping the germ isolated, since they feel sure that it will eventually die of loneliness if they do so.

Farmer Grows New Type Vegetable

WICHITA, KANSAS — Farmer Robert Bunting of Wichita, has grown a new vegetable which he has named asparabeet since it is a cross between an asparagus stalk and a beet. The Department of Agriculture is amazed, but Farmer Bunting is very proud of his new greenish-purple product and he believes it'll soon be America's favorite vegetable.

It's Women Who Run Radio

DETROIT, MICH. — Today the president of the D.D.T. Broadcasting System, Mr. Byron De Russey, issued a rather surprising statement to the press in which he openly admitted that it is the women who are running the radio industry and doing a splendid job of it. As outstanding examples of this feminine leadership, he mentioned Miss Jean Titterington, who is today head program director of the entire D.D.T. network, and Miss Patricia McCarthy, head radio advertiser for station WAKI. This is truly becoming a women's world in radio.

CAN YOU TOP THIS?

MAYWOOD, N. J.—Robert Murray and William Nichols were two very surprised young Fuller Brush salesmen today when they found that most of the housewives on their list of prospective purchasers were their ex-classmates from Hasbrouck Heights High School. Although some of the girls have been married five or six years, according to Murray and Nichols their last names didn't change them much. They're still the same Dot Bischoff, Pam Chiodo, Dot Contant, Marjorie Helfst and Barbara Coyle they knew in school. The only trouble with this informal reunion was that in their excitement both men forgot to mention selling brushes.

Universal Solvent Found

AKRON, OHIO—Chemists Raymond Koch and Howard G. Ling today announced to the waiting world that their years of fruitless experimentation are over, and the secret of the universal solvent, the substance that can transform all metals into gold, is now known to them. They were assisted in their experiments by Patricia Raff. In a joint statement concerning this dynamic discovery, the men said, "We'd better get back on the gold standard . . . fast!"

HELEN TRENT RESIGNS

HOLLYWOOD, CAL. — Helen Trent, chief gown designer of Parafilm Studios for 27 years, resigned today because now that she's over 35 she feels it's time to stop working. As her successor the studios chose Miss Dorothy Mazzochi, a brilliant new-comer. Miss Mazzochi first won filmdom's acclaim because of her unique creations in "For Whom the Teeth Click."

Miss Root Beer of 1956 Chosen

CHICAGO—Miss Bette Good, prominent young Cover Girl and Powers model, has been chosen as Miss Root Beer of 1956 in the annual popularity poll conducted by the Yum Yum Root Beer Corporation of Milkfoeey, Wisconsin. The final judge, Robert Guis, in announcing the decision, winked and said, "It was her—personality that got my vote."

Script Writer Turns Novelist

GREENWICH, CONN. — Miss Marion Jones, who for five years has been the creator of "Tressanella Nobhead, Girl Carpenter," the daytime heroine so many women believe in, today announced her decision to stop writing for radio and become a novelist. Miss Jones has already begun work on what she hopes will become a best seller, entitled, "A Weed Grows in Jersey."

FAMOUS ACTRESS BUYS PALATIAL HOME

LONG BEACH, CAL.—Miss Patricia Pendleton, America's first lady of stage, screen, and television, today bought a home in California that is made completely of glass and tile. The architect, L. Frasco, explains that the unusual choice of building materials was due to the shortage of wood—"they keep burning it in smudge pots out here," he moaned. While on the west coast, Miss Pendleton plans to make several pictures, one of which will be the much talked of "Week-end at the Chop House."

NURSES ON VACATION

HASBROUCK HEIGHTS, N.J.—Nurses Lois Carty and Isabel Morowe left today for a well-earned Florida vacation. While they are down in the sunny south, the girls plan to visit Dr. Barbara Grouls, Baby Specialist, who has an office in Miami Beach, and Eileen Lavender, another one of their ex-classmates.

So You Yearn to Learn To Dance!

Well, step right this way, folks—step into the modern, air-conditioned, music-while-you-learn dance studios of F. Cassert and W. Mecchia, Incorporated. Learn the fox-trot, waltz, tango, rhumba, samba, lindy, jig, and sailor's hornpipe taught as only these experts can teach them. (Liniment is provided at no extra charge.) "Learn to dance—invite romance."

Do You Need Advice On Stocks?

See Robert Singleton, a broker of integrity, who buys and sells stocks better than anyone else on Wall Street. Remember, if you need a reliable broker see Singleton, who's always broke.

BE IT EVER SO HUMBLE

SAN FRANCISCO, CAL.—The huge luxury liner, Aquaria, docked here in San Francisco this afternoon with many distinguished passengers aboard. The first two women to disembark were the Misses Elsie Salvesen and Lillian Ruland of New Jersey, both of whom have been around the world several times. They seemed overjoyed at being on American soil again, and both admitted that while travel is interesting, there's no place like home. The other passengers all echoed this sentiment and came ashore in record time.

COLUMBIA MOUNTAINS YIELD GOLD

BOGOTA, COL.—The Weingarten Expedition has struck it rich! Today, after months of weary searching and digging, the gold expedition, headed by Thomas Weingarten and financed by Herbert Weissner, the multi-billionaire, has found positive proof that there are rich gold deposits in the Columbian Mountains. Mr. Weingarten's only comment to reporters after finding the precious metal was, "I always said there was gold in them thar hills."

Shorter Shorthand in View

JERSEY CITY—An important meeting of the Joisy City Secretaries Union was called by Miss Claire Ziegler last evening to introduce the new Badick Shorthand Method—"The Shorter the Better." Although it is named for Miss Badick, several other secretaries assisted her in devising this new system. They were the Misses Ruth Minkewitz, Joan O'Malley, Claire Bonicelli, Constance Rocco, Ruth Carletta, Edith and Dorothy Wederich, and Dorothy Donovan. Nice work, girls, but this means less time on the boss' knee.

DEFENSE LAYWER TO ADDRESS JURY

PALM SPRINGS, FLA.—Defense Attorney Richard Ferraid tomorrow will address his final argument to the jury on behalf of his client, Killer Dedley, who is on trial for the murder of his mother-in-law. Ferraid plans to arouse the jury's sympathy by emphasizing the fact that several times in court, the defendant cried, "She was drivin' me nuts!" It is expected that he will enter a plea of temporary insanity for Killer.

Four H's Hold Initiation Meeting

HASBROUCK HEIGHTS, N.J.—The 4 H Club, The Homely Housewives of Hasbrouck Heights, held their annual initiation meeting last night at the home of their president, the former Miss Joyce Kruger, at which time five new members were admitted. Since it is a custom of the club to enroll housewives under their maiden names, the list of new members reads as follows: Miss Antoinette Gatto, Martha Bellman, Jean Gray, Lola Cranston, and Betty De Lamater. The latter entertained the group with a few classical selections: Your Father's Mustache, MacNamara's Band, and Home on the Stove.

CLASS CALENDAR

- September 5—It can't be—but it is! It seems as though it were only yesterday that we floated up the aisle in the Junior procession. (Remember the Pepsi, girls?) But the grim truth is here and H.H.H.S. has opened its ivy-covered portals. Hiya, Senior! It looks like a bang-up year all right!
- September 6—How about a cheer for the new faculty members, kids? Say, fellas, why the sudden interest in bugs? (Subtle, aren't we?)
- September 10—Our new class officers are a good bunch and with them at the helm we're sure to have some pretty smooth sailing!
- September 29—We opened our season on the gridiron with a rugged tussle with Dumont. We can't be perfect *all* of the time—they won (6-0).
- October 6—Park Ridge was "smeared" in their own back yard 32-12. Not so polite of us but "all's fair in love and war" . . . we love to win. The spirit of competition, you know!
- October 9—Baby pictures were hunted out from attic and cellar for the year book. Gee, you USED to be so CUTE!!!
- October 13—We took on wings for our win over Westwood . . . 14-6. The Aviators have done it again..
- October 19—Something new has been added! Our Alma Mater turned to a flood-lit field on a Friday night for the North Arlington game. The whole team did a neat job in beating N.A. for the first time since '37 with a score of 10-7.
- November 3—Hold on to your skimmers for this one! We beat Dumont 19-0. Need I say more? (Pardon us, but does your team play different lately?)
- November 5—Special assembly 'n' everything because of Saturday's doin's. We'll make the history books yet.
- November 10—Coach's boys did it again! Park Ridge 7—Heights 27.
- November 13—Everyone is buying those sharp new class pins (ouch) the class is selling.
- November 15—Those long white sheets the Seniors have been poring over lately are none other than the famous popularity papers. "Nice going" to a group of ace raters.
- November 17—Poor Westwood! 19-0.
- November 22—A rather moist field postponed our Turkey Day contest with Wood Ridge. Too bad they couldn't eat their dinner in peace, wasn't it. Worrying about Saturday's game must have been the cause of their indigestion. Tsk! Tsk! Such is life when Heights is in the league. By the way—we won 13-0.
- November 29—Welcome home to all our ex-servicemen faculty—Mr. Lewis, Mr. Monprode, Mr. Sveda, and Mr. Depken. It's great to have you back with us.
- December 1—Our gals seem to have taken over Hackensack's business center. You'll find 'em all the way from the millionaire's store with the red front to Sears' Christmas is a-comin'!
- December 8—Portraits of the team and Senior subs were the very novel decorations for the A.A. dinner dance. The place is all a-glitter with those new footballs.
- December 14—No steam, no heat—
Blue hands, cold feet—thanks very much for the holiday . . . (It must be the Christmas spirit!)
- The Fox Theatre was the scene of our Christmas pageant. We'd just like to say "Thank you" to Mrs. Brown . . . for everything. *We* sang in a the-a-tah, gee whiz!
- December 15—That pillow-padded individual at our Christmas dance was none other than "Red" Claus. You never know . . .
- December 20—Mr. Monprode pioneered the new streamlined attire for men today. Sans all unnecessary yardage. It's definitely atomic age-ish.
- December 21—Christmas vacation and it's going to be a beautiful white Christmas, too!
- January 18—While a magician mystified the population of H.H.H.S. some Tri-Y girls passed by thieves, murders, pickpockets, and stood in padded cells. We were "visitors" and that made all the difference in the world. You never dreamed free air could smell so good.

CLASS CALENDAR

- January 20—One of our illustrious seniors was in "Believe It or Not"—with a double banana—First "Frankie" and now a double banana. (Subtle, aren't we!)
- January 21—You'd think with all these new inventions, they could find a pill to keep your pencil writing the correct answers all the time. Dream on—dream on.
- January 31—Calling all seniors with money and also those without. Class dues must be paid today or (fate of all fates)—no picture in the yearbook. Dues—that is!
- February 12—A day of rest for some. Oh, to be a nice happy ignorant soul. "A poor life this if full of care, we have no time to stand and stare." Hear that now?
- February 21—Basketball games in which the faculty made a good showing—considering . . . It was a "neat" game. Salubrious, too. (Ahem)!
- February 28—Mrs. Marta left to be replaced by Miss Stiegerwalt.
- March 1—Moon, spoon, goon, June—poetry time, kiddies. Put away your nasty old books and think on merry Spring, or any old thing. Some gems were—
 "Because away from me you're going
 Take this orchid, girl, and—boingg." And this one—
 I give to you this box of candy.
 I'll come at seven—keep it handy." Poor Mrs. Mohair!
- March 9—Our cheerleaders placed fourth in the Spring Valley Contest. You'll always be first with us, though.
- March 15—Report Cards, income taxes, rain. Poor parents!
- March 18—Not to be inquisitive but WHO is KILROY??
- March 19—How much is $2+2$? We seem to be all confused. I love that name "refresher course." They're so kind!
- March 29—U. S. History II assignment seen in Room 27. Problem:
 What Senior girl will not pass U. S. History II this month?
- References:
 Page 5 of the March 28 Pilot.
- April 1—Who put the overalls in Mrs. Murphy's chowder?
- April 2—Senior class meeting was held to discuss the Prom. We have big ideas.
- April 3—Talk again about having graduation at the field. Something new has been added. It can't rain, can it, gals? 'Nuff said!!
- April 5—College entrance exams for quite a few of us. The next four years depend on those papers.
- April 6—"Take-Me-Out-To-The-Ball-Game" time is here again. Batter up than down. (That's a joke, son! Joke, that is!)
- April 11-12—Wasn't it fun to see how much we've progressed at the exhibit? Big sprawly writing to little scrawly scratches of the burdened Seniors.
- April 13—Senior Dance—and beautifully decorated.
- April 15—The time is passing like a certain Senior in his car (and I use the word loosely.) Only twenty-five more days of school for us.
- April 16—First home meet. Nice going, "men."
- April 17—Senior Day—that one day of all the year when the Seniors take over and realize that it's something to think about besides torturing poor innocent beings.
- April 29—Another class meeting. This prom is going to be the Prom of Proms.
- May 3—Please, please Miss Walthers, we ask on bended knees (not being able to straighten them), please, not *another* "push-up" Oh, our aching backs.
- May 14—Track meet at Fair Lawn. "Ah, the news is good tonight."
- May 30—Our last exams in H.H.H.S. We'll miss these hallowed halls.
- June 1—The State Meet was held with some surprising results.
- June 10—The class picnic was wonderful. The weather man was with us all the way and we couldn't have had a better time.
- June 11—Class night—more fun. It won't be long now.
- June 12—Mrs. Brown deserves a gold baton for being so grand with us. We're practicing "like mad" for graduation.
- June 14—It's here! Thanks, everyone, for being so wonderful and making our high school years so very memorable. We're going to miss you all.

 Advisers MR. A. KMETZ, MR. G. DEPKEN, and MISS WALTHERS

The A. A. Council is the executive body of the Athletic Association. It determines the policy of the association and handles all financial transactions concerning athletic matters.

This year, the financial status of the A. A. has been much higher because of the work of the council and excellent support of the student body.

THE PILOT

The Editorial Staff of the Pilot consists of Patricia McCarthy '46, Editor; Eileen Lavender '46, Mary Lou Meccia '46, and Ruth Minkewicz '46, Managing Editors; and Jackie Cholet '47, Associate Editor.

The policy of the Pilot has always been to bring the news of the school to the students. Six issues are regularly published.

As an additional project the staff has published a literary magazine for the first time this year.

JUNIOR RED CROSS

Participation in the Junior Red Cross is completely voluntary. The Red Cross is mobilized to meet, in various ways, both military and civilian needs. Similarly, the Junior Red Cross is organized to provide for the participation of pupils in those aspects of this broad humanitarian program. Among the projects our Junior Red Cross is doing are sewing wash cloths for the hospitalized servicemen, making utility or duffel bags for the Army and Navy, completing our afghan, packing overseas gift boxes, and donations to the national drives. The officers are: President, Elsie Salvesen; Vice-President, Ruth Haberman; Secretary, Barbara Grouls, and Treasurer, Marie Zwaan.

HONOR SOCIETY

As always there are very few members of the Honor Society—this year we have four—Bill Cobb, Barbara Coyle, Ray Koch, and Suzie Goldemberg—with Miss Gertcher as adviser. We had a very successful dance in October—Hawaii Holiday. The candle-light induction of new members in March was beautiful—as it always is—a very thrilling ceremony for the members elect. Honor Society in high school stands for high standards of character, scholarship, leadership, and service.

SENIOR PLAY

This year the senior class presented "The Fighting Littles," a comedy dealing with the differences of two age groups. The cast included:

Mr. Little	Larry Greco
Goody Little	Lola Cranston
Mrs. Little	Suzanne Goldemberg
Ham Ellers	Bill Cobb
Henriette	Barbara Coyle
Filmer	Bob Guis
Antoinette	Jean Gray
Dicky Harpeddle	Dave Jones

Almatina	Jean Titterington
Norman	Elmer Rumming
Cousin Olita	Barbara Grouls
Mrs. Harpeddle	Pat Pendleton
Cuckoo	Lois Carty
Screwball	Norma Schamb
Mill Pologa	Flo Cassert

General Chairman	Marcia Howard
Business Manager	Pat Raff
Stage Manager	Ray Koch
Coach	Mrs. Dorothy Snyder

TRI-Y LEADERS

This year because of the extensive registration there are two Tri-Y clubs, instead of one. The Tri-Y Leaders have 21 members, ably led by Marcia Howard as president and Mrs. Marta as adviser. We saw a broadcast of America's Town Meeting of the Air in N. Y., visited Bergen and Passaic County jail, had a faculty-mother tea, had a joint meeting with the Hi-Y, cleaned the trophies in the library, made cancer-dressings for hospitals—we had lots of other activities too—swimming at the "Y," modern dancing classes,—all in all, a very busy year.

Co-Y 46

The Co-Y 46, one-half of the Tri-Y from Hasbrouck Heights has as its officers; Joyce Kruger, President; Pat Raff, Vice-President; Rita Ramazzio, Treasurer; Althea Dittman, Secretary, and Joan Egerton, Chaplain.

Some of our activities during the year have been: Sending packages to Holland, cleaning the stock rooms, cleaning the lockers, and working at the Y.M.C.A.

We have had a great deal of trouble acquiring an adviser. Mrs. Cooper was our first but she left, and then we had Miss Poojes, but she also left. Miss Gerald is now our adviser, and with her help we have made a success of our club.

HI-Y

After an unsuccessful first half year, the Hi-Y reorganized and started an entirely new club. The main purpose of the club is to get a firm foundation started so the future classes will have some basis to work on. The officers are:

President, RAYMOND KOCH
Vice-President, WILLIAM COBB
Treasurer, JOHN REEVES
Chaplain, BYRON de RUSSY
Sgt. at Arms, PETE LING
Secretary, ROBERT GUIB

HILLTOP PLAYERS

The Hilltop Players is a club primarily for the purpose of learning more about the production of plays through presentations and attending plays themselves.

Throughout the year, the club presented a Christmas play, various skits at the club meetings, and monologues at the annual dance given in January.

They attended a Broadway play in the fall and spring and talked with some of the cast and production men backstage.

President, LUCILLE CORDO
Adviser, MRS. DOROTHY SNYDER

THE ORALMATEURS

The Oralmateurs Club was organized for the benefit of those students interested in speech work. Many of our members participated in the annual Public Speaking Contests. We have had representatives in such New Jersey Forensic League activities as debating, dramatic interpretation, original oratory, forums, poetry reading, extemporaneous speaking; we also entered a candidate in the American Legion Contest, held here in town. A Speaker's Bureau has been established, composed of students willing to present programs for other organizations. A short variety show was an added feature of our Harlem Hop. We feel that many of our objectives have been attained, but with a more widespread membership, even more could be accomplished.

Faculty Adviser, MISS BERNICE M. GERTCHER

President, SUZANNE GOLDEMBERG

Vice-President, BARBARA GROULS

Secretary, MARY JO ERDMAN

Treasurer, ANITA HALL

ART CLUB

"Hats off" to the new art club! The Art Club was formed this year by Mrs. Rodie. The officers are: President, Betty Delamater; Secretary, Dot Mazzochi. The students have been working in the shop as well as in the art room. The club meets every Monday and many projects have been completed.

"SHUTTERBUG"

President GAVIN ARCHIBALD
 Vice-President HERBERT WEISER
 Secretary BARBARA GROULS
 Treasurer JOSEPH FISCHER

Adviser: MISS ELAINE STECHER

Because of the great number of students interested in photography, it was necessary to form two clubs. A dark room was built and outfitted by the members. Films are developed and prints made for school students. The different phases of photography are discussed and practised. The clubs jointly gave a dance and have gone on field trips.

CAMERA CLUB

President PATRICIA LOGAN
 Secretary HELENE LEAHY
 Treasurer ELSIE SALVESEN

LATIN CLUB

A dance was given by the Latin Club on February 9. The money collected at this function will be sent to a school in France along with clothes donated by the students of H.H.H.S., to aid the destitute pupils in the particular school chosen.

The adviser of the club is Miss McCabe and the officers are:

President, HELENE LEAHY

Vice-President, MARGARET McLEOD

Secretary, ANN MAIURI

Treasurer, BETTY MANEY

FOOTBALL

This year the aviator eleven rolled up their most impressive season in Hasbrouck Heights football history with a record of 8 wins and 1 loss.

After a hard-fought battle, Dumont won the first game, 6-0. The following week the Heights came back in the second half and trounced Parkridge, 32-12. The next Saturday the aviators chalked up another victory by beating Westwood, 14-0.

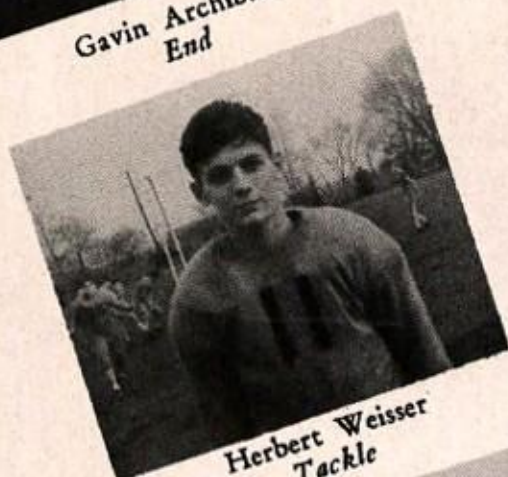

Then followed the arclight contest at North Arlington, which saw Hasbrouck Heights come out on top after a thrilling game, 10-7. We then pushed over a hard fighting Woodridge team, 21-0.

The peak of the aviator's success came when they smeared their arch rivals, Dumont, 19-0. The men from Heights kept up their winning streak by romping over Parkridge and Westwood, 27-7, 19-0, respectively.

The Thanksgiving tilt with Woodridge was postponed until the following Saturday, but in spite of a slow, muddy field, the aviators came out on top, 13-0.

BASKETBALL

MR. SAL SALERNO
Coach

This year the Aviator Basketball team won six games while dropping nine in the regular season under its new coach, Sal Salerno. There were five returning lettermen on the squad: Ray Koch, Bill Cobb, Gavin Archibald, Gene Dinallo, and Allen Pfiefer. Hasbrouck Heights won the opener from a hard-fighting Woodridge team, 25-21, but went on to lose the next game to Closter by a large score. The Aviators then chalked up their second victory by beating Park Ridge, but lost the next game to North Arlington. Then there came two more defeats at the hands of Fort Lee and Dumont. However, Hasbrouck Heights came back to beat Westwood by a few points in the next game. The team then went into a slump again by losing two close games to Woodridge and Closter. The Aviators again came out of the slump by beating Park Ridge and North Arlington. Hasbrouck Heights then lost the next two games to the powerful Fort Lee and Dumont teams. The Aviators then beat Lodi in a thrilling game. This game ended the regular season. However, the team lost a Red Cross benefit game to Lodi by a few points. In the State Tournament, Hasbrouck Heights beat Belvidere, but was eliminated after losing to Closter.

BASEBALL

This year Mr. Noonan will again take on the task of coaching the baseball team. With seven returning lettermen and a few prospects, he hopes to have a fair to good season. The opening day line-up was as follows:

Evers—center field
 Ling—second base
 Koch—short stop
 Houghtaling—catcher
 Pfeifer—third base
 Meccia—left field
 Lowensten—right field
 Archibald—first base
 McCullough—pitcher

Boys on whom Mr. Noonan is counting as replacements are: Warren Keay, pitcher, and George Mercer, outfielder.

TRACK TEAM

This year Mr. Depken is back at his old job as track coach after serving a hitch in the Navy. He is looking forward to another successful season with eight returning lettermen and several good prospects: Vito Putignano in the sprints, Bill Cobb and Russell "Lefty" Sandberg in the quarter mile, Sid Salt running the half mile, Dave Jones in the mile and broad jump, Lawrence "Red" Greco throwing the shot put, Richard Nimmo throwing the discus, and Dick Fink in the high jump.

There are also several boys who are good prospects and will inevitably help to make this a successful season: Leonard Wisse in the sprints, Tom Martin running the half-mile, Howard Berridge in the mile, Pete Kepsel throwing the discus, and Ed Kearney in the high jump.

The "Voice with a Smile"

WHEN the nation needed her in the emergency of war, she had the task of speeding the calls that hastened victory. Often no less thrilling are the peacetime messages she handles today . . . a call that may save a life . . . an urgent message to someone a hundred or a thousand miles away . . . an answer that MUST be obtained.

There's something about telephone operating that makes each day interesting. Surroundings are pleasant — associates friendly — the pay is excellent from the start, with steady increases. It's career work in a service to the people of your community.
